

**GSI**

GERARDO IXCARAGUA HUERTAS

OBJECTIVE

To perform admirably in all the goals that I set my mind to, and to be the best version of myself.

SKILLS

I am majoring in Political Science, so I enjoy reading, writing, and discussing current issues. However, I also have programming skills in: Python, Java Script, and Basic. I am also capable of designing and developing websites.

In non-academic settings, I am good at team working and leadership.

EXPERIENCE

SERVICE/RETENTION AGENT • TELUS INTERNATIONAL • 2015-2016

I worked as an agent for TXU Energy, an American company based in Texas. Some of my responsibilities included assisting customers with company-related needs as well as making sure their experience at TXU was pleasant.

TRAINEE • GIANNI, ORIGONI, GRIPPO, CAPPELLI & PARTNERS (GOP) • 2017-CURRENT

In the future, I would like to go to Law School and become a lawyer. To be better prepared, I am interning at this law firm that specializes in corporate and business law, where I have been in charge of conducting relevant research for the branch's managing partner as well as for the other lawyers.

EDUCATION

HIGH SCHOOL DIPLOMA • 2015 • EL VALLE DE OCCIDENTE - QUETZALTENANGO, GUATEMALA

I assisted a bilingual school in Quetzaltenango, Guatemala where I graduated with honors and as my grade's valedictorian. During my time at this school I competed and won several Speech Contests as well as mathematics, physics, and chemistry Olympiads.

UNDERGRADUATE • CURRENT • NYU ABU DHABI

I am currently a Sophomore at NYU Abu Dhabi. Living and studying in such a diverse community has taught me to communicate with people from all over the world a skill that is necessary in today's global world. During my time at NYU Abu Dhabi, I have participated in many university events as staff and as part of the organizing team.

VOLUNTEER EXPERIENCE OR LEADERSHIP

TURTLE PATROL • 2018 - CURRENT • TEAM LEADER

I am currently a volunteer for an environmental initiative to protect the Hawksbill turtles in the UAE. I am in charge of leading a group of people on a walk along the beach in order to look for any signs of turtles, including tracks, nests, or even babies! In the event of finding a nest that is in danger, I am responsible for relocating the nest to safety, and then monitoring it until the turtles are born, along with the marine biologist in charge.

LATIN AMERICAN STUDENT GROUP • 2018 - CURRENT • VICE-PRESIDENT

I am the Vice-President of the Latin American Student Group at NYU Abu Dhabi. We organize events related to Latin American culture, aimed at Latin Americans and people from all over the world alike. Our biggest event this year is Latino Night, an event where we will show the most popular traditions from Latin America. This event will be attended by students, staff, professors, and even some Latin American Ambassadors.

SCIENCE COMMUNICATOR • 2017 • VOLUNTEER

During this event, I was in charge of the physics booth. I performed and explained physics experiments to children aged 5 to 14. In this event I realized I am very good at communicating with children.

INFORMAL TRANSLATOR • VARIOUS • VOLUNTEER

I have had many opportunities to translate for other volunteers from English to Spanish. Since I lived in the United States for a long time during my childhood, English is my second mother tongue. Some of these experiences include volunteer doctors, pastors, and even a lawyer speaking to a group of children about his job.
